

Houda You Love? Camel Rock!

Sunday September 14th, 2014 9:00 am to 4:00 pm

Come to Houda Point/Camel Rock for a day of appreciation of a beloved local landmark. The Trinidad Coastal Land Trust will be there with information about what the Land Trust does, and crews will be working on trail maintenance. There will be t-shirts (we have a new shirt design with artwork donated by local artist Matt Beard) and bumper stickers available to benefit the Land Trust. The Trinidad Coastal Land Trust owns and maintains many local beach access trails, and all the work is done by volunteers. Come out for a good cause and learn more about how you can help your local Land Trust (bring work gloves and boots if you want to help!). For more information go to our web site at www.trinidadcoastallandtrust.org and like us on Facebook.
