

Little River Trail Project FACT SHEET:

To prioritize and fund this proposed section of the California Coastal Trail, connecting Hammond Trail at Clam Beach to Trinidad's Scenic Dr.

Recent Project Progress:

- 2014: LRT Feasibility Study completed (website link)
- 2015: Priority Parcel Acquired by Land Trust (TCLT)
- 2016 a) TCLT as lead trail maintenance
 - b) HCAOG Assistance Grant
 - c) A.T.P. Grant submitted/denied
- 2017-18: tbd: SCC Grant, State Parks Grant, ATP grant tbd

Project Status:

- LRT is 'missing link' bt. Hammond Trail and Trinidad Scenic Coast
- Parcel Ownership Ready
- No Easements Needed, No Controversy
- Project Ready for Next Steps:
- Phase 1: Funding for Engineered Designs, CEQA and Env. Permits
- Phase 2: Funding for Construction

Regional Planning Support to Date (but needs prioritization):

- Humboldt County Coastal Trail Implementation Strategy (2011)
- Community scoping meetings for the Humboldt County Regional Trails Master Plan (2010)
- Hammond Coastal Trail Extension Analysis: From Trinidad to Fortuna (2001)

Regional Support to be Confirmed:

- HCAOG Regional Transportation Plan
- Updated into the County Local Coastal Program
- Humboldt County Regional Trails Master Plan

Request to HCAOG, CalTrans and County:

- List as Priority in Regional Planning Docs (along w/ Hum. Bay and Annie Mary Trails)
- HCOAG Project Assist Grant
- Support Letters, Advocacy
- Continued Partnership
- Public Funding Grant Proposals
- More to come
